

Navi's unisex salon

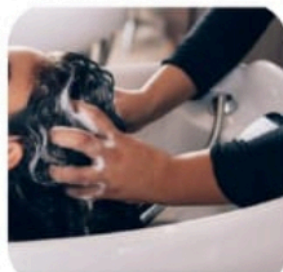

"Hair that slays starts at the salon"

"A good stylist is cheaper than a good Therapist"

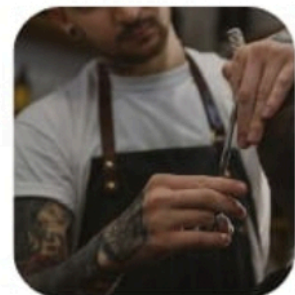

OUR SERVICES

Your personality needs a style that is personal to you — unique, trendy, and flawless. Walk into any Green Trends salon near you for a haircut and meet with our team of professionally trained stylists and experts who will make it their mission to transform you into the best version of yourself every day.

Mani's unisex salon strives for quality, and that motto drives us to address your personal needs at all times. We ensure our style experts are constantly updated with the latest techniques, products to keep up with the trends. Regarded as one of the best haircut salons for men, Mani's unisex salon is the one-stop destination to amp up your style quotient. From low fade cut, man bun, faux hawk, crew cut, quiff, pompadour to French crop, comb over, ivy league, get spoiled for choices.

The right haircut deserves the right beard. If you thought men styling is all about the hair, take a look at the handsome hunks who rock a beard and mooch. From that light stubble look to full-on Khilji beard, we believe there is a lookout there for each of you.
